### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Kaufhold on 1/20/04.

The application has been amended as follows:

In claim 3: line 3, --having a plurality of apertures extending therethrough-- has been inserted after "a panel".

The following changes to the drawings have been approved by the examiner and agreed upon by applicant: Figure 2 has been amended to include line 3-3 as described in line 15 of page 4 of the specification. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or render obvious a motivation to provide an animal feeding device having the combination of structural limitations of a housing including a bottom wall and a peripheral wall being attached to and extending upwardly from the bottom wall, a funnel being positioned in the housing and including a spout extending outwardly through the bottom wall and wherein the funnel having an upper perimeter being abutted against and extending along an inner surface of the peripheral wall, a plate having an upper side wherein the upper side having a central area having a raised
